

What's New:

In each unit of the Intermediate Level One, besides text, vocabulary, listening/reading comprehension, exercises, there are also notes, Chinese Idioms and characters.

•••••••• The section of NOTES can help you have a better understanding of grammars.

•••••••• The section of IDIOMS introduces commonly used Chinese idioms to enrich your spoken expressions.

•••••••• The sections of CHARACTERS, pictures of public places such as streets and supermarkets show the Chinese characters you see everywhere in our daily life.
